# B.Sc. INTERIOR DESIGN PROGRAM

Interior design is a profession that combines creativity, technical knowledge, and business skills. Interior designers work with clients and other design professionals to develop design solutions that are safe, functional, attractive, and meet the needs of the people using the space. The world is in great demand of interior designers. This profession gives a pretty sublime career which satisfies artistic mind as well as monetary needs.

Knowing the pulse of the world, we – Al Salama Eye Research Foundation started a new course to create Best Interior Designers. We offer course at the undergraduate level in three year of B.Sc. (Interior Design).we are committed to make the educational experience of every student satisfying, fulfilling and fun. We believe the journey is as important as the destination.

## ELIGIBILITY

Candidates with the following credentials shall be eligible for admission to B.Sc. Interior Design

- ◆ Should pass Any Plus Two Examination.

## WHAT YOU WILL LEARN

Interior design is “the art or process of designing the interior, often including the exterior, of a room or building”. An interior designer is someone who coordinates and manages such projects. Interior design is a multifaceted profession that includes conceptual development, communicating with the stakeholders of a project and the management and execution of the design. There are various paths that one can take to become a professional interior designer. All of these paths involve some form of training. Working with a successful professional designer is an informal method of training and has previously been the most common method of education.

**The major disciplines of training are Design and Fine art, with prearranged super specialisations:**

- ◆ **Design:** interior design, product design, furniture design, landscape
- ◆ **Civil:** Building theory, Building Drawing
- ◆ **Fine art:** painting, sculpture, visual communication

**WE ARE NOT MADE UP, AS WE HAD ALWAYS SUPPOSED, OF SUCCESSIVELY ENRICHED PACKETS OF OUR OWN PARTS. WE ARE SHARED, RENTED, OCCUPIED AT THE INTERIOR OF OUR CELLS, DRIVING THEM, PROVIDING THE OXIDATIVE ENERGY THAT SENDS US OUT FOR THE IMPROVEMENT OF EACH SHINING DAY, ARE THE MITOCHONDRIA, AND IN A STRICT SENSE THEY ARE NOT OURS.**
